

Minutes 07/2019

The meeting began precisely at 7PM, but prior to the introductions Don W0AF said he will host a picnic at his house in Mineola one of the weekends in August. Present were:

Derek	WOTYG	Jim	KE0PKI
Don	W0AF	Russ	AD0QH
Bruce	AEOFZ	JoDee	KD0RNC
Tom	AEOGS	Art	KBOUWR
Paul	WBOGXD	Wayne	KNOWDJ
Dave	N0JSB	Craig	KD0YTI
Norm	WA0JYD	Rich	WA0ZQG
Kevin	NOMHK	Don	WBOZWE
Craig	WONEU	(17)	

Paul GXD made a motion to accept printed Minutes of last month's meeting, and Don AF similarly moved to accept the Treasurer's report for audit. Treasurer Greg N0GR was absent but we read an EMail from him that said it was up to \$7,355 from \$7,318 last month. Both motions were approved.

Repeater

Russ AD0QH responded to a question from Rich ZQG regarding the clock accuracy on .82. It loses time over months and Rich was suggesting it would be a good job for a repeater helper.

Old Business

Paul GXD said the RAGBRAI assist function went well with help from over a dozen volunteers in our case, using the 800 Meg Motorola H/Ts that cost around \$2500 each.

New Business

Craig NEU, VP and outdoor activities organizer wants to do a POTA (Parks On The Air) event from Lake Manawa the middle of September. We motioned to do it 14th and 15th rather than later in the month.

New licensee Jim KE0PKI offered cash to join the club as did JoDee RNC who joined for herself and George KD0NME (who was home). In absence of Treasurer Greg N0GR, Rich ZQG took the cash (and Late Note: deposited it Fri.)

Announcements

As this is an odd numbered month, the nearby VE test session will be out of Omaha Red Cross, last Tuesday at 6:30PM. (Even numbered months they're done here – CoBlfs Red Cross.)

Aug 03 is the first Saturday of the month, and that means breakfast at **Tobey Jack's** in Mineola around 9AM. (annc. by Don W0AF) Here in CoBlfs there's a breakfast group at Super Saver on North Broadway Saturday mornings.

Dave JSB is in charge of Door Prizes for the Omaha Flea Market, usually held SW of town at the Sarpy Co. Fairgrounds. Saturday 07 Sept. He had some real nice fliers, double sided color, and though hasn't anything in hand, says he will have some extra nice prizes this year.

Late Note: One is a kilowatt inverter generator.

We adjourned the meeting at 7:36PM
Minutes by Club Sec'y, WA0ZQG

Stalwart member Keith KE0AEP remains in TN dealing with his father's estate business.

Don AF says they've been doing code practice on the Glenwood 145.29 repeater Saturdays at 7PM.

There was no program.
