## Treasurer's Report

Greg N0GR reported a balance of \$6374.63. We paid \$156 for the P.O. Box through 7/31/2023. We collected \$20 in membership dues.

## Repeater

Chris FBL reports further testing of the 1-1/4 Heliac will continue with John QKH. We are researching other Heliac options including buying new. Met with the county people to define insurance requirements for a tower crew, all of the firms providing quotes meet this liability insurance requirement. The building at the Memorial Park site has a tripod on the roof with coax that we can use for a temporary antenna location in the interim if needed.

## Emergency Service

Rick RLR is working on specific radios for EMCOMM. A presentation should be ready for the Sept club meeting.

## Ham Fest 2023

Scheduled for March 4, 2023. No word on door prizes as yet. Considering the possibility of Cow Patty's (NE of CoBlfs, 1/3 of the way toward Underwood) as an alternative to McClelland. Contemplating offering testing at the Ham Fest.
